REASONS FOR ALLOWANCE

1. Claims 7-12 are allowed.
2. The following is an examiner's statement of reasons for allowance:

Claim 7 recites, inter alia, a contact region of the contact element is able to slide over the wire in the contacting area, and during installation of the ignition coil the contact region cooperates with a coil element that is able to be slipped over the contact element and presses the contact region against the wire in the process to destroy the enamel layer of the wire.

The references of record do not teach or suggest the aforementioned limitation, nor would it be obvious to modify those references to include such limitation.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Anh T. Mai whose telephone number is 571-272-1995. The examiner can normally be reached on 5/4/9 Schedule.
